Making sure that every student that we serve has access to all of the nutritional and allergen information about the food that we serve is extremely important to us.

Our program is designed to help students make informed decisions about their dining choices and access to this critical information is available both on-site in the Roadrunner Café as well as on our dining web site.

We also offer personalized nutritional guidance and our Registered Dietitian is available to answer your nutritional or allergen related questions via email at: [askyourRD@aladdinfood.com](mailto:askyourRD@aladdinfood.com)

If you have special dietary restrictions, please contact us immediately and we will develop an action plan to fit your needs.
